Select file

The image shows a file selection process in a web application. A file explorer window is open over a document upload page. The file explorer shows a list of files, with 'uwvplus' selected. The 'Openen' button in the file explorer is circled in orange and labeled '3'. In the background, a 'Bestand kiezen' button is circled in orange and labeled '1', and an 'Openen' button is circled in orange and labeled '3'.
